## KICKSTART YOUR SUCCESSFUL MEDICAL CAREER IN UK

- ✓ Learn from Expert DOCTORS in UK.
- ✓ We help with your VISA and securing job through our own recruitment agency.

### PLAB-1

PLAB-1 exam tests your ability to apply your knowledge for the care of patients. It doesn't test how well you can remember and recite facts. Questions relate to current best practice in UK, and equipment routinely available in UK hospitals. You'll need to answer the questions in relation to published evidence and not according to your local arrangements.

#### COURSE DETAILS:

STUDY LEVEL: Professional  
COURSE LENGTH: 1 Months

#### FORMAT

- 180 multiple choice questions
- Must answer within three hours
- Each starts with a short scenario followed by a question
- Choose the right answer out of the five possible answers given

## PAKISTAN'S FIRST EXTENSIVE COURSE FOR LATEST PATTERN PLAB UK EXAM

## PLAB-2

PLAB 2 is an objective structured clinical exam (OSCE). This would include knowledge, competencies and skills of a doctor looking to practice at the level of a Foundation Year Two doctor. This would include professional morals and actions required of doctors, which are essential to deliver excellent care for example, practicing according to GMC guidance and within their competence.

### COURSE DETAILS:

STUDY LEVEL: Professional

COURSE LENGTH: 8 Days

### HIGHLIGHTS

- Medicine
- Surgery
- Pediatrics
- Obstetrics
- Gynecology
- Psychiatry
- Ethics
- Breaking Bad News
- History Taking
- Mannequin Examinations
- Interpersonal and communication skills
- Good Medical Practice Mocks
- Resuscitation Simulation
- Surgical Skills

### UNIQUE FEATURES:

Most of UK PLAB academies are run by main tutor not working in the UK NHS system. All our tutors are UK practicing doctors working in UK. Several of our tutors are UK graduates who know what is the new PLAB 2 exam format.

### PLAB Part 2 Face to Face Course

- Covers PLAB P2 Scenarios
